The total value for the Town of Holden for Fiscal Year 2015 is \$1,883,118,500. This is an increase of \$27,075,900 from Fiscal Year 2014. The increase is due to market and new growth.

Tax Classification Public Hearing: is scheduled to be held on November 3, 2014 at 7:10 pm in Memorial Hall. There are five classes of property. A community has the option of choosing a “residential factor” that result in a single rate for all the property classes. Or there can be a shift of the tax rate within the classes. This process must take place annually before a community can set a tax rate. . The Board of Assessors will recommend a “single tax rate” as in the past. Residential Properties make up 94% of all value. The change in value for the average single family home is now valued at \$266,093, up from \$264,300 in Fiscal Year 2014

Applications for Chapter Land were due in the office by September 30, 2014 and October 1, 2014. Sue Lucia made phone calls to property owners with land in Chapter programs. There were five properties for which applications were not received. These will be removed from Chapter for Fiscal Year 2016.
