Leicester Regional Public Health Coalition – New Hire

- Francis introduced Trevor Bruso, Trevor is the new Public Health Coordinator for the coalition
- Michael Mazloff asked Trevor to tell something about himself
- Trevor stated he is a member of the North Brookfield Board of Health. He will help coordinate all towns within the coalition. He will be taking classes to receive certifications required for the position and will be shadowing Francis. Trevor stated he will be going out to the towns to figure out what the needs are for each town and help coordinate those needs. The goal is to set up a plan for each town. He is looking forward to meeting everybody in person.
- Pam Harding stated she has a CHIP plan she can send to Trevor, it will definitely need some updating
- Francis stated that Jamie Teri is contracted to do Title V work for the interim until we find an agent for Holden. 409 Bullard Street septic is currently under review with Jamie.
- Christopher Wilson – Epidemiologist will attend the next meeting for introduction

Housing/Nuisance

- 98-100 Chapel Street – On-going housing case, tenant is adding items and calling for re-inspections
- 184 High Street – Francis did an inspection, there is a list of infractions that need to be addressed and fixed, but not a dangerous situation.

COVID
