Discussion on COVID Vaccinations

- Karyn Clark spoke about the vaccination clinic currently operating at the Worcester Senior Center for Phase 1 Emergency responders. The clinic is running smoothly and plans are being discussed for a longer term care plan. She asked if Holden would be ready to operate the EDS site for seniors.
- Pam Harding said we are ready to set things up but not sure how to get the vaccine or how to register the software.
- Karen said Pat Bruchmann has the information and can order the vaccines for you and have them delivered to you. The software being used is Prep Mod.
- Michael Mazloff said the Senior Center would be a great place for an EDS site for the seniors over 65 and 75.
- Pam said she would talk to Louise at the Senior Center to find out about storage capacity and approximate numbers of seniors in the age range.
- Pam asked Karyn about the clusters and how they are reported, there have been clusters in Holden that we were not notified about.
- Karyn will talk to the nurses about reporting the clusters to the individual towns.
