

GIVE THE GIFT OF UTILITIES

Do you know someone who would appreciate a practical gift or have a loved one that is struggling to keep up with the rising costs felt nationwide?

Consider giving the gift of Town utilities to someone you know. Gift certificates are available for Holden utility bills (Electric, Water, Trash/Recycling).

Gift Certificates will be applied to the customer/resident's account and not to specific services.

Stop by the HMLD office to pick up this thoughtful gift today or call us at (508)210-5400 with any questions you may have.
