Water & Sewer Superintendent

2016 Water Use Restriction Notice
May 1st through September 30th
between the hours of 9AM – 5PM

In accordance with the requirements of the Water Management Act Final Permit issued to the Town of Holden by the Massachusetts Department of Environmental Protection, the Town is required to enact a Water Use Restriction from May 1st until September 30th, between the hours of 9AM to 5PM. The ban restricts daily “nonessential” outdoor water use from public water sources.

Examples of “Nonessential” outdoor water uses include:

- irrigation of lawns via sprinklers or automatic irrigation systems;
- washing of vehicles, except in a commercial car wash or as necessary for operator safety; and
- washing of exterior building surfaces, parking lots, driveways or sidewalks, except as necessary to apply surface treatments such as paint, preservatives, stucco, pavement or cement.

Examples of water uses that may be allowed:

- irrigation to establish a new lawn and new plantings during the months of May and September;
- irrigation of public parks and recreational fields by means of automatic sprinklers outside the hours of 9 a.m. to 5 p.m.; and
- irrigation of lawns, gardens, flowers and ornamental plants by means of a hand-held hose.

Examples of water uses NOT subject to mandatory restrictions:

- for health and safety reasons;
- by regulation;
- for the production of food and fiber;
- for the maintenance of livestock; or
- to meet the core functions of a business (for example, irrigation by golf courses as necessary to maintain tees, greens, and limited fairway watering, or irrigation by plant nurseries as necessary to maintain stock).

Violators of the Water Use Restriction will be subject to the Town of Holden – Water Use Restriction By-Law – ARTICLE XXII with enforcement fines of up to \$200 per violation.

The Town thanks you for your cooperation as we endeavor to comply with the requirements of the permit. If you have any questions, please contact the Department of Public Works at (508) 210-5550.
