

DESIGN PUBLIC HEARING

Pavement Rehabilitation on Main street, Shrewsbury Street, and Doyle Road Holden, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the Pavement Rehabilitation on Main Street, Shrewsbury Street, and Doyle Road project in Holden MA.

How will this affect you?

The proposed project consists of improvements to an approximately 1.15-mile section of the Shrewsbury Street Corridor, including portions of Main Street, Holden Street, Chapel Street and Doyle Road. Proposed improvements include the reconstruction of the existing traffic signals at the intersections of Shrewsbury Street with Main Street and Chapel and Holden Street, as well as construction of a roundabout at the intersection of Shrewsbury Street and Doyle Road.

When Attend

Wednesday, February 23, 2022 6:30PM to 7:30PM

www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be recorded. Information will be available on the website starting on March 2, 2022.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: massdotprojectmanagement@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: Carrie E. Lavallee, P.E., Acting Chief Engineer,

MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 609517
