Kitchen Fire Damages Main Street Home

Fire damaged a residence at 165 Main Street in Holden earlier today. The fire, which was called in to the Wachusett Regional Communications Center at 12:03 PM, appears to have started in the kitchen causing extensive damage to the interior of the home.

The first arriving unit responding from Station 2 in Chaffins found active fire in the kitchen which was quickly brought under control, but the home sustained fire and smoke damage. The Holden Fire Department was assisted by Sterling at the scene while Rutland, Paxton, and West Boylston provided station coverage.

Holden Police and HMLD also assisted at the scene. No injuries were reported and the fire remains under investigation.
