Fire Destroys Car, Severely Damages Garage

A car was destroyed and a single-car garage attached to a multi-unit residence on Torrey Lane in Holden was extensively damaged by an early morning fire, according to Holden Fire Chief Russ Hall.

The blaze, called into the Wachusett Regional Emergency Communications Center at approximately 7:15AM, was contained to the garage and quickly extinguished by Holden firefighters. Personnel from West Boylston and Worcester EMS assisted on-scene while units from Sterling, Rutland, and Paxton provided station coverage. No firefighter injuries were reported, the homeowner was evaluated by EMS on scene. The fire, which started inside the garage and caused some smoke damage to the residence, remains under investigation.
