

# Holden Municipal Light Department

## Join your neighbors in saving money and energy this year with Home Energy Loss Prevention Services (HELPS)

Holden Municipal Light Department is pleased to offer free audits and rebates on eligible EnergyStar® products through HELPS, the leading residential energy conservation service for Massachusetts municipal utility customers.

### Free Home Energy Audits

(888) 333-7525 to schedule

#### What is a Home Energy Audit?

- Gives you a thorough picture of where you may be wasting energy and how to save money.
- Includes inspection of HVAC equipment and insulation levels.
- Diagnostic testing identifies problem areas.

#### How Does it Work?

1. Our auditor will walk with you to inspect your home, review your bills, and possibly conduct an infrared scan\* to determine potential savings in about 1-2 hours.
2. Before the visit, make a list of any existing problems such as condensation and drafty rooms, and have copies or a summary of your energy bills.
