CARE

As a health-focused company, your well-being is at the core of everything we do. Eye care is essential to your overall health.

ACCESS

From private practice doctors to retail chain locations, *Altus Vision* is here to help you with safe, convenient access to local eye doctors.

SAVINGS

With *Altus Vision*, your family can rely on additional savings and offers to get the care you need at low out-of-pocket costs.

Eye Care is Health Care

Even if you have 20/20 vision, it's important for you to get an eye exam every year. That's because eye exams are about more than just seeing clearly.

The following health conditions can be detected during eye exams, even if you don't have symptoms

- Diabetes
- Diabetic retinopathy
- High cholesterol
- Hypertension
- Glaucoma
- Macular degeneration

DID YOU KNOW?

- Nearly 88 million U.S. adults are living with prediabetes
- 85% don't know they have it.
- Early signs can be detected with an eye exam
- Regular eye exams can reduce the risk of diabetes related vision loss by 95%.
